

HALAL CERTIFICATE FOR PRODUCTS «SOJAPROTEIN»A.D.

«Sojaprotein»A.D. Bečej informs the public that 26 products of the Company have successfully obtained Halal Certificate issued by the Agency for Halal Certification of the Islamic Community of Serbia. Issuance of Halal Certificate confirms that the products of «Sojaprotein»A.D. comply with the Islamic halal regulations regarding health, hygiene and sanitary correctness of food. In addition to food products, Halal Certificate also confirms the correctness of products used in the cosmetic and pharmaceutical industry.

These products are available in new markets with a large number of potential consumers, not only in the North Africa and Asia, but also in Europe. Halal Certificate is necessary for all producers who want to expand their market in the Islamic countries. «Sojaprotein»A.D. is one of the first companies in Serbia whose products are Halal Certified.
