

## **HALAL CERTIFICATE FOR “SOJAPROTEIN”A.D. PRODUCTS**

“Sojaprotein”A.D. Becej would like to inform the public that 26 Company products had successfully past the testing and is awarded the Halal Certificate issued by the Agency for Certification of Halal Products of the Islamic Community of Serbia. Issued Halal Certificates confirm that the products of “Sojaprotein” A.D meet Shariat Halal regulations on health, hygienic and sanitary soundness of food. In addition to foodstuffs Halal Certificates certify the compliance of products used in cosmetics and pharmaceuticals industry.

Accordingly, new markets with a great number of potential consumers, primarily markets of North Africa and Asia are now accessible to the Company whereas new opportunities to widen the scope of consumers in European countries are also opening. Halal Certificate is necessary to all manufacturers who are willing to market their products on markets of Islamic countries, i.e. consumers within the Islamic communities in other countries. “Sojaprotein”A.D. is one of the first companies in Serbia whose products are awarded with the Halal Certificate.
