**BUSINESS NEWS – ENERGOPROJEKT HOLDING CO. BELGRADE**

**ENERGOPROJEKT WAS RANKED AMONG 200 LARGEST INTERNATIONAL  
DESIGN, CONSULTING AND CONTRACTING COMPANIES**

As in the previous years, the U.S. magazine Engineering News Record (ENR) recently published a ranking list of the largest international companies, ranking them by total revenue earned in international markets.

On the ranking list of 200 largest design and consulting companies, Energoprojekt ranked 118th (last year it was 123rd) and it is third year in a row that it records an increasing trend.

In the competition of the world's largest contractors Energoprojekt was placed 190th (last year it was 186th).
